

CUSTOM METAL Gutter Products

Funnels, 5K-3" Rnd Wide Mouth Fast Flow

Sold by the piece

Funnel, 5K-3" Rnd Wide Mouth Fast Flow,

- Like a river without a log jam, let the water and debris flow from the gutter
- Easy to install – cut a big hole and let everything flow into the downpipe.
- Install **Drain Guards** lower on the downpipe and catch all leaves and debris.
- If no underground drain tiles, let the leaves and debris flow out on the ground.
- (Easier to pick up on the ground than from a ladder on the roof)

**Fits 5K Gutter, 6K Gutter, 7K Gutter and Fascia Gutters
Matched for all profiles of downpipe.**

- 3" Round Downpipe

Always recommended

- Use **Drain Guards** and **Gutter Sentry or Crown Gutter Guard** to complete your Rainwear System !!
Keeps the underground drain tiles clear and clean from a clogging mess.
