

CUSTOM METAL Gutter Products

Pipe Guard, 3x4 (adaptable for other size downpipe)

25 pieces per carton

Crafted from actual Downpipe with Removable Basket !!

Streamlined and cosmetically pleasing

- Whole unit easily installs into existing downpipe system.
- Available in a wide range of colours

Available adaptors for the following downpipe sizes;

- 2"x3", 2-5/8" square and 3"x3" Square

Solid durable construction and functional design, catching all leaves and debris flushed from the Fast Flow or Form Fit Funnels below the Gutters into the Downpipe.

Always recommended

- Use Funnels, Wide Mouth Fast Flow or Form Fit and Gutter Sentry along with the Pipe Guards for your Rainwear System !!

Keeps the underground drain tiles clear and clean from a clogging mess.
