

CUSTOM METAL *Gutter* Products

Drain Guard – Round Downspout 3” & 4”

25 pieces per carton

Crafted from actual Downpipe with Removable Basket !!

Streamlined and cosmetically pleasing

- Whole unit easily installs into existing downpipe system.
- Available in a wide range of colours

Available for 3” Round and 4” Round downpipe sizes

Solid durable construction and functional design, catching all leaves and debris flushed from the Fast Flow or Form Fit Funnels below the Gutters into the Downpipe.

Always recommended

- Use Fast Flow or Form Fit Funnels and Gutter Sentry or Crown Gutter Guard for your Rainwear System !!

Keeps the underground drain tiles clear and clean from a clogging mess.
